Disclaimer

The entire contents of this website are based upon the opinions of Kim Martin, RD., unless otherwise specified. Individual articles and comments are based upon the opinions of the respective author.

The contents of this website are intended to inform, entertain and provoke your thinking. The information is not intended to replace a one-on-one consultation with a qualified health care professional and is not intended to be a replacement of such advice, diagnosis or treatment. It may however make you question current medical and nutritional advice. Kim Martin, RD., encourages you to make your own health care decisions based upon your own research and in partnership with a qualified health care professional. The Lifestyle Dietetics Website is designed for sharing the knowledge and information from the research and experience gained by Kim Martin, RD.

Therefore, the information contained in this website is for general information purposes only. While Lifestyle Dietetics endeavors to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

Neither the author nor any other contributors to the Lifestyle Dietetics website can be held responsible or liable for any loss or claim arising from the use, or misuse, of the content on this site.

This disclaimer is effective from 1st January 2015.
